PREPARED FOR
Joe's Garage & Detailing
Proposal date: August 18, 2026
Coverage starts: September 1, 2026

Joe - here are the three markets that came back. My thoughts are below.

Our Recommendation

Option 1

We recommend Travelers because it carries the higher Garagekeepers limit - \$250,000 versus \$100,000 - and includes Cyber cover the others leave out.

Your Options

OPTION	CARRIER	PREMIUM	TOTAL / YR
Option 1 *	Travelers	\$8,750	\$9,125
Option 2	Westfield	\$9,200	\$9,200
Option 3	E&S Market	\$7,900	\$8,350

* Recommended by your agent

Key differences

- General Liability deductibles differ - the deductible is \$1,000 on Option 1 versus \$5,000 on Option 3.
- Garagekeepers limits differ - Option 1 carries \$250,000 versus \$100,000 on Option 2; the deductible is \$1,000 on Option 1 versus \$2,500 on Option 2; it is not included in Option 3.
- Cyber is included in Option 1 but not Option 2, Option 3.

What Your Coverage Does

Option 1

General Liability - \$1M/\$2M | \$1,000 deductible

Protects your business against claims of injury or property damage arising from your operations.

Customers are on your premises daily - this is the cover that responds if one is hurt.

Identical across all three options.

Garagekeepers - \$250,000 | \$1,000 deductible

Covers customer vehicles while in your care, custody, or control - being detailed, repaired, stored, or serviced.

You hold customer cars overnight; without this, damage to them is your own exposure.

Higher limit and a lower deductible than Option 2; not included at all in Option 3.

Cyber - \$100,000

Responds to a data breach or cyber attack affecting customer information.

You take card payments and store customer records electronically.

Only this option includes it.

Option 2

General Liability - \$1M/\$2M | \$1,000 deductible

Garagekeepers - \$100,000 | \$2,500 deductible

Option 3

General Liability - \$1M/\$2M | \$5,000 deductible

Next Steps

Review the options above and select the one that best fits your business. Once you have chosen, sign electronically at the bottom of this page and we will take care of the rest. If anything is unclear, or you would like to talk an option through before deciding, get in touch - we would rather answer a question now than have you sign something you are unsure about.
